Net officer has focused his work on the downtown corridor and has limited opportunity to check establishments in other areas of the City.

Bars are more reluctant now to call for officer assistance because calls for service are used in review of their dance permit. This has lowered the number of reported alcohol related incidents and false ID cases.

| 6. Street storage vehicles towed after being warned or tagged by a Parking Enforcement Officer | 357 | 86 | 62 | 69 | 56 | 273 | |

The factors affecting the number of parking citations issued include diversion from assigned parking district (beat) enforcement. Such activities include special events, patrol assists, H.O.P.E. vehicle enforcement, vehicles towed for expired registration over 6 months, vehicles towed for other reasons and weather conditions such as rain.

The factors affecting the number of street sweeping citations issued include weather conditions and City recognized Holidays.

Street Storage requests cleared with a disposition of "citation", duplicate", "referred to another agency" or "open and active" are included in the total number of requests investigated but are not reported separately.

Annual projections for citations issued in no way infer individual employee expectations.

RECENT PROGRAM ACHIEVEMENT:

During the 2011 Fiscal Year, the Parking Enforcement Detail investigated 3,836 complaints for street storage violations and towed 273 vehicles that were using the City Streets for vehicle storage.

The Recent Program Achievement **must** fit in the 2-line space provided above.
